

FILLEIGH PRIMARY SCHOOL

PEDPASS PE FUNDING INCOME AND EXPENDITURE

1st April 2017 to 31st March 2018

Total Allocation: £13,252.00

Expenditure: £13,083.00

We used the money to ensure that:

- All children benefit regardless of sporting ability
- The most able children are given more opportunity to compete in tournaments with other schools
- Staff have access to training opportunities to improve the quality and breadth of PE in school
- Increase participation in PE and sport to ensure healthy lifestyles for all children
- Subsidise activities to ensure that pupils do not miss out due to financial constraints

Government funding was increased in September 2018. The total allocation includes 7 months of the additional funding.

Filleigh Staff: Provision of OAA staff	£3,247.00
Additional TA support to run dedicated lunchtime PE based activities and assist with the delivery of PE as part of the curriculum and in after school clubs. Additional staffing allows teachers to differentiate to a greater depth giving both less and more able children the support or extension that they require.	£3,658.00
Filleigh Clubs: Provision of afterschool clubs and lunchtime clubs, either by using teachers and TAs or by buying in specialist external coaches, to provide yoga, football, Multi-skills, netball, dance, tag-rugby and running. Set up of Filleigh School Park Run event.	£1,532.00 £250.00
Filleigh PE Trips: Buying into LLC inter-school events and other local competitions, including transport to events, additional staffing to accompany children and entry fees to other local tournaments, i.e. tag rugby. Also includes top-up swimming for 4 year 5 and 6 children who could not swim 25 metres – pool hire, specialist teacher, lifeguard, transport and staffing.	£845.00 £184.00 £800.00
Contribution for Activity days at Wildlife Experience camp for years 5 and 6.	£438.00
Filleigh Equipment: Equipment for both KS1 and KS2 playgrounds and huff and puff games, purchase of sports equipment to upgrade our PE lessons and sports clubs.	£134.00 Supermarket voucher schemes used to obtain further equipment – Sainsburys and Tesco's
Filleigh Bought in Services: Employment of Achieve4All to provide specialist sports training, CPD for staff and after school clubs every week. Variety of sports offered across all ages from years 3 – 6.	£1,200.00
OAA equipment: Purchase of equipment for OAA and improvement of learning environment.	£795.00
Total	£13,083.00

£169.00 to be carried into next financial year

Within KS1, staff deliver 1 hour of PE weekly and children also have 20 minutes daily activity. We are continuing to hold extra clubs for KS1 children and this is already having an impact on the children's progress and attainment in PE, due to the commitment of KS1 staff ensuring that children have better opportunities to take part in competitive and non-competitive sport.

Within KS2, a range of PE/Sports lessons and after school clubs are taught throughout the school which aim to engage and inspire all pupils – these include athletics, volley ball, hockey, tag rugby, football, netball, multi-skills, dance, tennis, gymnastics, distance running and yoga. They are taught by class teachers and external providers to ensure expert coaching as well as inclusive participation.

At Filleigh, to promote healthy lifestyles we have continued to support the distance running programme to imbed the benefits of physical exercise from an early age. This has been led by a teacher who is taking part in the Chicago Marathon this year. Children have measured the distance around the school playground and fields and calculated how many times round makes a mile. Over the summer term children from year 1 upwards took part in a challenge to run the distance of a marathon. All children completed this target. Children and parents have also been encouraged to join the teacher at the local Park Run event on Saturday mornings. Many children and parents have attended this event and we have set up a Filleigh School team.

School teams have entered local learning community (LLC) tournaments, held inter school matches and entered into wider based competitions both as individual schools and federation teams. We have taken part in the following tournaments:

LLC Athletics for both KS1 and KS2
LLC Football
LLC Netball
LLC Tag Rugby
North Devon Tag Rugby
Interschool football matches
Running events including Park Run at the weekends

All year groups from Year 1 at Filleigh have the opportunity to attend sports festivals within the local learning community at least once a year. These enable the children to meet other children from different schools, learning both to collaborate with and compete against new people. The children also learn new activities and challenges and gain knowledge of different tactics for different sports. Teachers actively encourage those not taking part in after school clubs to find alternative ways to develop healthy lifestyles. We promote local clubs and holiday activities via our weekly newsletter and a distribution of flyers.

Sports Grant Impact

- Staff are confident to deliver sport and access expertise as necessary
- More children involved in activity both formal and informal
- All year groups from year 1 at Filleigh and all years at Chittlehampton, will have participated in LLC sporting activities
- All teachers are enthusiastic and consistent in their approach to the quality first teaching of

PE

- There are more after school clubs available and more children taking part in these clubs
- More children engaged in active play
- All year 5 and 6 children were able to swim 25 metres by the end of the top up sessions.

For the next year we plan to spend our PE income as follows:

Total Allocation = £16,730.00 and £169.00 carried over from previous year = £16,899.00

Filleigh Staff: Provision of OAA staff	£3,312.00
Additional TA support to run dedicated lunchtime PE based activities and assist with the delivery of PE as part of the curriculum and in after school clubs. Additional staffing allows teachers to differentiate to a greater depth giving both less and more able children the support or extension that they require.	£3,732.00
Filleigh Clubs: We will continue to run afterschool clubs and lunchtime clubs, either by using teachers and TAs or by buying in specialist external coaches, to provide yoga, Football, Multi-skills, netball, dance, tag-ruby and running.	£950.00
Continued purchase of support from Achieve4All for weekly sessions including lunchtime and afterschool clubs.	£5,700.00
Filleigh Events: Buy into LLC provision for inter-school tournaments and festivals, entry fees to external festivals and transport to enable the children to attend.	£800.00
Provision of Year 6 top up swimming for those who cannot swim 25 metres with specialist teacher, lifeguard, staffing, transport and hire of pool.	£1,250.00
Filleigh Equipment: Equipment for both KS1 and KS2 playgrounds with new markings and resources, continue to resource OAA and purchase of sports equipment to upgrade our PE lessons and sports clubs.	£250.00
Filleigh Equipment: Equipment for both KS1 and KS2 playgrounds with new markings and resources, continue to resource OAA and purchase of sports equipment to upgrade our PE lessons and sports clubs.	£2,500.00
Total	£18,494.00

Shortfall will be met by the main budget.

At Filleigh the specialist trained teacher will continue to use Yoga in class PE lessons, as well as small group and individual sessions contusing to support children with SEND and behavioural needs.

As a federation Outdoor and Adventurous Activities (OAA) provision will continue to expand at all schools. The inclusion of OAA in the PE Curriculum is an indication of the value that we place on such activities. Although not a compulsory element of the national PE curriculum at KS1 we have chosen to include KS1 to enhance our provision of OAA at KS2.

Outdoor education, or more recently outdoor learning, is an approach to education which is concerned with the development of young people. It is an organised approach to learning in which direct experience is of paramount importance. The term learning in the outdoors embraces experiences and activities that:

1. Normally take place outside
2. Frequently have an adventurous, challenging or learning component,
3. Generally involved physical activities and
4. Always respect the environment.

The term OAA has been chosen because there is an essential need for adventure and challenge in the education of young people. In addition, when children participate in OAA they are consolidating other areas of PE such as developing motor skills, confidence and competence in the outdoor environment as well as mental and physical challenges. They may or may not be of a competitive nature. Most importantly they will also be learning the principals of safety.

Examples of OAA which we teach to pupils:

- Orientation and Orienteering
- Scavenger Hunts
- Trails
- Team building
- Adventure games
- Problem solving activities
- On site Camp Craft Skills.

As well as using OAA in class PE lessons, small group and individual sessions are in place to support children with SEND and behavioural needs.

We have reviewed how to use the additional PE support funding which has been allocated to schools from September 2017. We have purchased the expertise of Achieve4All who will work with staff and pupils to ensure that the extra money will have a positive impact on children's enjoyment and uptake of physical activities and promote healthy lifestyles. We will also be using the money to improve our playground areas and outdoor learning environments.
