21st July 2021

Dear Parents and Carers,

Please find enclosed your child's school report. This year the government has taken away the requirements to send out pupil attainment data and attendance date.

As a school we felt it was important to share indicative grades to give an indication of where your child's attainment is.

Similarly we are sharing attendance, not directly on the reports; attendance is enclosed on two separate sheets. The first is for the autumn term and the second is from the 8th March (after lockdown but not including isolation times).

If you would like to make comment about your child's report please use either the QR code or link to submit a comment by Friday 23rd July.

This letter will also be available on the further information section of the Filleigh website so that you can access the link from there.

Yours sincerely

Mr Wright
