

English.

Story work focusing on extending and joining ideas. Also organising stories into paragraphs and chapters. Punctuation of speech.

Use of perfect present tense rather than simple past tense for story.

Describing character and settings (linked to myths); There will be further reading and writing links made across the curriculum (shown in other Topic areas). Guided Reading will be done either as a whole class (with adult-led and independent group work) or individually.

Maths.

Based upon White Rose scheme developing core numeracy skills; including Multiplicative Reasoning, Additive Reasoning, Geometry and Number Sense. Focus on fractions, money, statistics, properties of shapes, mass and capacity, position and direction.

Children will have regular opportunities to complete mathematical investigations to apply skills in context.

Geography/History.

We will locate Greece and look at how Ancient Greek civilisation spread across Europe;

We will use a range of sources to find out about the past, particularly thinking about the lasting legacy of Ancient Greece upon Art, Culture and Politics.

Pupils will learn about Greek myths and will design their own mythical creatures using 'An Anthology of Intriguing Animals' as an example text.

We will think about significant individuals from Ancient Greece such as Hippocrates and Socrates.

'Ancient Greece' Class 3, Summer 2019.

Science.

Light and shadow: Investigating shadows

Understanding the places and roles of

the Sun, Earth and Moon in our

Solar System, day and night and seasons.
