Message from Head of School

The children have had many questions regarding the new national lockdown that has been put in place between 5th November and 2nd December. They have been asking well informed and sensitive questions that we have done our best to answer. I have been proud of how well they have coped with the disappointment at having clubs and valued activities put on hold. Each child will be colouring in a poppy to make a wreath to commemorate Remembrance Day next week, although we cannot take the whole school up to the war memorial as we have on previous years we will place a wreath and be observing the silence at 11am on Wednesday.
