Message from Head of School

It has been great to see an improvement in the weather and get outside with the children. Please can all children have a named water bottle with them each day, the communal water fountain is not available to use at the moment. Both KS2 bubbles have now enjoyed their first session at running club, Castle Hill have kindly agreed to let us use their grounds again.

Covid Testing

Thank you to all parents who have acted responsibly by organising tests where children have had a symptom. It is pleasing that currently they have all been negative. When you organise a test and when you receive a result (positive or negative) please notify the office as soon as possible. We are duty bound to report this information to the local authority and potentially the DfE and Public Health England.

Fancy Dress Day - Friday 23rd October

As the PTA cannot run their usual Halloween Disco this year, we are inviting the children to come to school in fancy dress on Friday 23rd October in exchange for £1 donation. Children are allowed to wear costumes but please no masks. To add to the Friday fun, the PTA have kindly organised sweets for all the children to take home. These have been quarantined for 72 hours to comply with our risk assessment. If you would prefer these not to go home with your children please let the office know by Thursday 22nd October, thank you.
